

Dear Parents/Guardians;

Due to the recent changes, with our new school start date of Monday, August 24, and starting school on-line, all registrations MUST be done online. We will have computers set up at South Middle School for those who do not have computer access on Thursday, August 6, 1-7pm and Friday, August 7, 8-2pm. **Schedules will not be available to view at this time.**

**Registration MUST be done online, at least 24 hours before your student's scheduled device pick up time, in order to receive a device.** If you have not completed the on-line registration, please do so as soon as possible, and be sure to upload your address verification and immunizations.

**Schedule for device check out:**

Monday, August 10, 8th graders with last name A – L from 9am-6pm  
Tuesday, August 11, 8th graders with last name M-Z from 9am-6pm  
Wednesday, August 12, 7th graders with last name A – L from 9am – 6pm  
Thursday, August 13, 7th graders with last name M-Z from 9am-6pm  
Thursday, August 20, 6th graders with last name A-L from 9am – 6pm  
Friday, August 21, 6th graders with last name M-Z from 9am-6pm  
Tuesday & Wednesday, August 18 & 19, new students 9am – 6pm

Once a student has their device, they will need to log in while within the building's Wi-Fi zone in order to have access to all the required platforms. All students will be required to change their password. Parents, please work with your child on brainstorming three possible new passwords that you will bring with you for device pick up. Passwords for students must be ten or more characters (letters, numbers, special characters), more than one word, and include three of the following items: upper case letter, lower case letter, special character, number. The password must be unique, not been used by the student in the previous 12 months and can't include any part of their name, first or last. Please plan for 20-30 minutes.
